PROFESSIONAL PROFILE

An experienced Environmental Graphic Designer with 6+ years of professional experience and a repertoire of work domestically and internationally. Looking for a new senior level or managerial opportunity at an interdisciplinary firm.

DESIGN EXPERIENCE

SENIOR ENVIRONMENTAL GRAPHIC DESIGNER

STREETSENSE | BETHESDA, MARYLAND

Streetsense is an experience-focused strategy and design collective. Experts in the real estate, retail, and hospitality industries, we create brands people love and places people love to be. With an undisciplined approach and an insight-driven world view, we impact experiences at every level and at every scale — from neighborhood restaurants to city blocks.

With a wide range of experience in retail, entertainment, mixed-use, and residential projects, and the blend of a graphic and industrial design background allows for the creation of attractive designs backed up by technical precision.
